Former LDL Reeve, Victoria County Warden dies

Victoria County lost one of its prominent citizens on November 5, with the death of Raymond Gostlin.

Born on December 11, 1911, Raymond Gostlin was a life-long resident of Laxton Township in the Norland area. He married Hazel Robertson in 1933. They celebrated their 65th wedding anniversary on Wednesday, November 4, the day before he died. Raymond Gostlin was in his 87th year. He is survived by his wife Hazel, his son Aubrey and his wife Jacqueline of Norland, daughter Gwyneth Bryant and her husband Leo of Whitby and grandchildren Sherry Gostlin, Heather Orris, Judy Bennett, Michael Bryant, Nancy Marsh, Calvin Bryant; and 11 great-grandchildren. He is survived by his sister Jean Stewart of Norland. Predeceased by brothers Garfield, Lorne and Alvin and sister Lillian.

Always community-minded, Raymond Gostlin decided to run for municipal council in the mid-1940s. He was elected councillor in 1945, an office he held until 1952, when he successfully ran for reeve of the municipality. He served as reeve until 1958. He was elected warden of Victoria County in 1958. He continued to serve for many years on various county-based as well as community committees and boards after retiring from his active political

Raymond Gostlin, 1911-1998

WHERE'S THE WATER?: The Gull River has been exceptionally low this fall. The low water levels in lakes and rivers across the Highlands are affecting man and beast. Wells are running dry and the low levels, such as those seen here in Minden, have MNR officials concerned about the fate of the river's rainbow trout. Lake trout populations could also suffer a setback if spawning shoals are left high and dry. Precipitation levels have also been extremely low in the past month. (For complete weather details for the month of October see page 5.)

Teachers, Board of Education unable to find common ground

Negotiations between the Trillium Lakelands District School Board and the Ontario Secondary School Teachers' Federation district 15, broke off last week after 26 bargaining sessions over the course of the past few months.

The board declared an impasse after the two sides could not find common ground concerning staffing and funding issues. The two sides have also been working on merging the three collective agreements from the previous Victoria, Haliburton and Muskoka boards into one.

The board has offered to help resolve the situation by bringing in mediation - arbitration. According to Board Chair Cheryl Murdoch, as of Friday November 6, the board had not heard from the Ontario Secondary School Teachers' Federation representatives, whether or not the offer of mediation would be

accepted. "We have made the offer but we are still waiting for an answer," said Murdoch.

If the two groups move to mediation, the Ministry of Education will appoint a mediator to review the impasse and attempt to resolve the deadlock through discussion and meetings with both parties. If this process is unsuccessful, the mediator would become an arbitrator and would then further review the issues and make a decision to resolve the dispute. "He or she will make a ruling and that ruling is binding," said Murdoch.

The OSSTF member teachers will continue their teaching duties during the school day, but no additional or extra-curricular activities will be performed. The teachers' federation represents 430 teachers at the Trillium Lakelands District School Board's seven secondary schools.

OPP reports numerous break-ins and thefts in the area

The following report is a summary of recent events compiled by the Minden Coboconk detachment of the Ontario Provincial Police

A Monarch cement mixer was stolen from a building site near Minden. The mixer's gas motor was removed. It is mounted on a car axle with 15-inch wheels and is painted in red oxide primer.

A cottage was entered on the Irondale River on October 23. Stolen from inside were a Ryobi drill; Craftsman skill saw and a Sears 1.2 hp outboard motor.

On October 25, two cottages were reported entered on Kawagama Lake. Stolen property from these cottages totaled \$4,500 and included a Mikita cordless drill; Black and Decker circular saw, Makita palm

sander; Makita 3 1/4-inch planer; Makita 10-inch compound mitre saw; Makita belt sander; Mastercraft dry wall gun; Husqvarna 20-inch chain saw; Model 125 R brush saw and Model 61 chain saw; Mastercraft 12-inch chain saw; a gas powered centrifugal pump and 50 bundles of tongue and groove cedar siding.

On October 26, a cottage was broken into off County Road 121 between Haliburton and Tory Hill. Property valued at \$7,000 was stolen including a JVC stereo; General Electric VCR; 1987 Suzuki Quad Runner ATV; 1996 Stihl chain saw; several Makita and Milwaukee power tools and a red tool box with hand tools and wrenches.

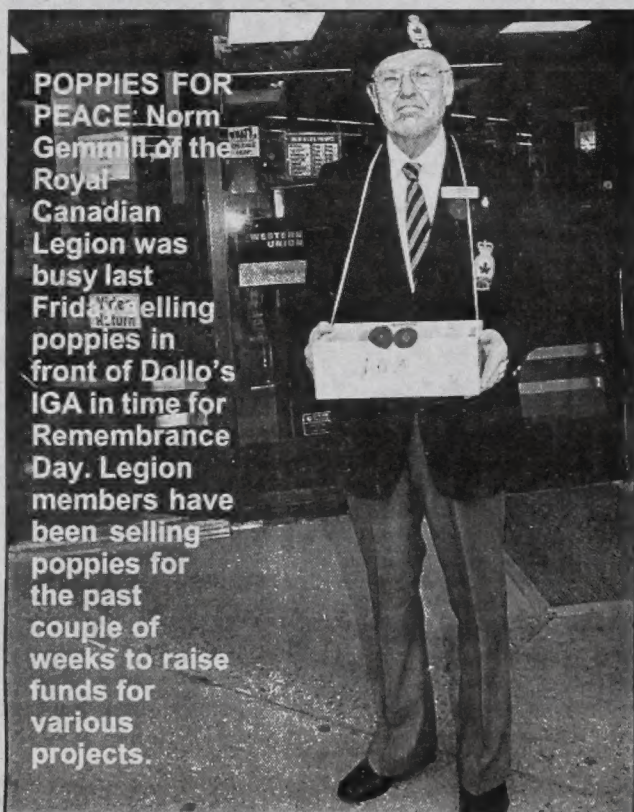

A cottage on Davis Lake was entered on October 28 and stolen from inside were a Kenmore washer and dryer; Dirt Devil rechargeable upright vacuum; a Battler 4X15 power scope and a homemade black box trailer with licence V21030.

A garage at a residence near the Stanhope Airport was entered on Hallowe'en. Stolen was an unlicensed 1990 Yamaha Big Bear ATV beige.

Two cottages were entered on Little Kennisis Lake between October 24 and November 1. Stolen from these cottages were a Skil circular saw; Jonsered model 450E chain saw; Ryobi drill, Craftsman router; computer with 15-inch monitor and a Homelite 4000 watt generator.

The Norland General Store reported a break, enter and theft on November 2. Thirty movies, 51 cartons of cigarettes and a small amount of cash was taken. The incident took place between 11:30 p.m. on November 1 and 6:45 a.m. on November 2.

Anyone who may have been in the area and noticed anything unusual is asked to contact Minden/Coboconk OPP or Lindsay and Area Crime Stoppers at 1-800-563-8477.

POPPIES FOR PEACE Norm Gemmill of the Royal Canadian Legion was busy last Friday selling poppies in front of Dollo's IGA in time for Remembrance Day. Legion members have been selling poppies for the past couple of weeks to raise funds for various projects.

Community mourns Raymond Gostlin's passing

(from page one)

role. He was also very active with the board of directors of the Norland United Church, of which he had been a member for 65 years.

An avid outdoorsman, Raymond Gostlin remained an active hunter and fisherman until his last days. Hardly a week passed during the summer and early fall of 1998 that he and Aubrey didn't spend at least one day fishing. The quarry was usually lake trout and the destination, Haliburton County. Although he was physically unable to walk to the runways the past few years, the will and desire to hunt remained. So, he used a four-wheeler to travel to and from the deer watches.

Raymond Gostlin had one of the first registered trap lines in Ontario (about 1946). He retained that trap line until 1990, when, at the age of 78, he turned it over to his son Aubrey. Raymond continued to help Aubrey on the trap line for a couple of years after that.

Raymond Gostlin was a devoted member of the Masonic Lodge. He was initiated into the Masonry on May 2, 1949. V.W. Bro. Raymond Gostlin was Worshipful Master in 1958 and again in 1979. He was appointed Grand Steward in 1989 by Grand Lodge. V.W. Bro. Raymond Gostlin Passed Grand Lodge Above November 5, 1998. A Masonic Service was held at the Gordon A. Monk Funeral Home in Minden Saturday evening.

ASES students fly high over Haliburton County

Some grade six students from Archie Stouffer Elementary School were flying high last Friday, as a science project on air and flight, ended in a free airplane ride over Haliburton County. Thanks to the efforts of their teacher, the school board and some "flighty" volunteers, Ray Johnson's class took to the sky to see if what they studied about flying was actually true.

"I have a number of hobbies that I wanted to apply to my class," said Johnson. A number of years ago, Johnson researched some of his hobbies, such as throwing boomerangs, and creating a science program that looks at how air affects things like sailboats, boomerangs and airplanes. When the provincial government handed down its new curriculum, Johnson discovered that the grade six classes were indeed supposed to study the properties of flight. After a little adaptation, his program fit the bill.

After studying various types of objects that are affected by air, Johnson invited his friend Barry Hart to come to his class and talk about flying his aircraft. "I asked if we could come out and take a look at the plane and Barry said,

'I'll do better than that.' and he did," said Johnson. Hart is the organizer of the Stanhope Airport's Young Eagles program, which hopes to send one million children on a flight by the year 2000. The grade six students from Ray Johnson's class signed on board and with the help of several other gracious pilots, they were off into the wild blue yonder.

Jeremy Upton is a student in Johnson's class. He was excited about taking a flight, although he had been in a small aircraft before. "I like the small planes because they are more manoeuvrable and easier to turn," said Upton. He joined pilot Bill Small in his Cessna 150 and took to the sky. The students flew over Haliburton, then over to Minden to see the school, and if possible a view of their house. After returning to the ground, Jeremy Upton said he was most impressed with the flight.

This was a first in field trips for Archie Stouffer and it attracted a lot of attention. ASES Principal Rosie Kenney attended as well as Trillium Lakelands District School Board Superintendent Dale Robinson.

THIS IS YOUR CAPTAIN SPEAKING: ASES student Jeremy Upton runs the pre-flight check, prior to his trip in this Cessna 150. He and his classmates took turns soaring over Haliburton County as part of a science lesson on air and properties of flight. Pilot Bill Small took Upton on a 20-minute flight over Haliburton and Minden.

NOTICE

All people needing access to the Emergency area of the **HALIBURTON HOSPITAL** should do so via the entrance off Highlandwood Drive (by the schools), including out-patients and emergency patients.

All other visitors to the hospital, and those using the physiotherapy department should use the new temporary entrance at the south end of the hospital, or the basement entrance in the rear.

We apologize for the inconvenience during this phase of construction.

Minden resident shares World War II Memories

Every year Canadians take time to reflect on the seriousness of war and the importance of peace. Veterans, war brides and Canadians from all walks of life gather on November 11 to think of those men and women who fought in World War I, World War II, the Korean War, and other campaigns throughout the years, as well as pay special remembrance to those who did not return.

This Remembrance day, as on every one that has passed, Maxine Cross of Minden will think of her brother and a family friend who were killed in World War II. She will also remember those she served with in the Royal Canadian Air Force in Alberta where she served as a Leading Air Woman from 1942 to 1945. "I always think of my brother and a friend of ours who were killed during the war and I shed a little tear. It's kind of a sad day," said Cross.

Serving in the Air Force was not always a grim experience, for Cross remembers fondly the time she spent working in the post office while stationed in Alberta. She laughs as she thinks about when she joined the service. Born and raised in Pickering, Cross traveled to Toronto to purchase a new outfit for Easter and ended up a member of the Air Force. "I thought, I'll either buy a new suit or I will join up. So I joined up," says Cross. "My father had been in the service when he was young and two of my girlfriends had already joined. It was just natural for me."

After Basic Training and Trades Training in the postal department, Cross, along with thirty other women were shipped out to Claresholm Alberta to the Air Force Training Base. The women participated in many drills physical education classes and parades. They practiced preparing their uniforms, ensuring that all of their buttons were polished and their shoes looked like patent leather. Here Canadians from across the province worked at the base, which was frequented by troops from Australia, New Zealand, Britain and the United States for basic, elementary and service flying. New soldiers would arrive every month for training. "It was very interesting," says Cross. "There were always new people around and morale was good. You always had a change of people who wanted to know all about Canada and we wanted to know about where they were from."

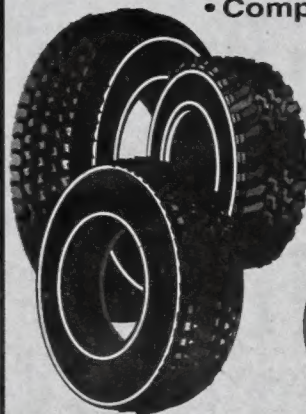

After her time in Alberta, Cross was shipped to Ottawa among other areas and finally discharged in 1945. She joined the Ajax Legion in 1947. By 1976 she moved to Kinmount and joined the Legion again. Then she moved to the Haliburton Branch and finally Minden in 1997. Although she no longer keeps in touch with any of the people she served with, Cross fondly remembers the times they spent together. She will think of those people on Remembrance Day this year, and the important work they accomplished.

Maxine Cross: RCAF veteran

Health Services Foundation

Christmas light fund-raiser planned

Local residents will soon have the opportunity to show their support for health services by lighting up their communities.

Dale Walker, chair of the Haliburton Highlands Health Services Foundation, attended Haliburton County Council's October meeting to outline a special Christmas fund-raising campaign.

The Foundation will be selling strings of Christmas lights at \$100 per string and the lights will be installed in prominent places within county communities.

Walker told council members she was not looking for cash from the county or municipalities. What she asked for was assistance to install the lights when they are purchased by the donors.

She also asked if notices of the project could be included with municipal or county Christmas mail-outs and if municipalities would bear the cost of hydro.

The light strings will be clear mini light sets.

Walker said municipalities will be contacted individually by the foundation to solicit support for the campaign.

If all goes well, this could become an annual fund-raising project for the foundation.

Council members expressed their approval of the project.

\$10,000 BOOST: Fish and Wildlife Advisory Board chairman Pat Kennedy (second from right) presents a cheque for \$10,000 to Dysart reeve Murray Fearrey. The MNR's provided the money to help finance the Drag River Walleye Habitat Improvement Project. Haliburton Highlands Secondary School students have designed and provided labour for the project. Some of the students involved in the project are, front row (l to r): Kelly Ketner, Lisa Gage, Katie Logan, Kim Varty, Sara Both and Bob Hebert. Back row: Fisheries extension biologist David Flowers, HHSS teacher Dave Mowat, Murray Fearrey, Pat Kennedy and MNR district supervisor Peter Waring.

Walleye enhancement project gets \$10,000

Pat Kennedy, chairman of the Provincial Fish and Wildlife Advisory Board, brought some good news to Haliburton County, in the form of a \$10,000 cheque to help fund the Drag River Walleye Habitat Improvement Project. Kennedy presented the cheque to Dysart Reeve Murray Fearrey on behalf of the honourable John Snobelen, Minister of Natural Resources. Dysart Township will administer the funds.

"This funding will help improve the river bed and enhance and protect the vital spawning area in the river," Kennedy said.

This project is one of many which will receive funding from the new \$10-million Fish and Wildlife Protection and Enhancement Fund which the provin-

We're not ready for this, Mr. Harris

Politicians. You either hate 'em or.... well, most people would admit to having somewhat less than kind thoughts for a politician or two.

Take Ontario premier Mike Harris, for example. People flocked to the polls during the last provincial election to cast their ballot for Mike and his cronies because they promised a "common sense revolution." They promised to cut government waste, turn the education system around, or at least steer it in a better direction than it has been headed in recent years, and to run the affairs of the province similar to a business. "Yes sir, Mr. Harris," the majority of Ontarians said as they smugly patted their newly elected representatives on the back when the Tories won an overwhelming victory at the provincial polls. "You go

ahead and do what you have to do to make Ontario the wonderful place we all know it can be."

Oh, by the way, did we mention that we don't want you to offend anyone by forcing them to actually work when they're not really up for it. And we wouldn't want anyone to become unemployed, leaving a whole lot of office space lying around unoccupied. After all, bureaucracy makes the world go around, albeit ever so slowly.

And, whatever you do, try to avoid the "A" word. Amalgamation of services for the sake of efficiency and the elimination of duplication goes against all principles of big government.

And don't fool around with the

education system. "If it ain't broke," the scholars say, "don't fix it."

Above all, never show your disdain for the common person. You'll never get re-elected by showing blatant arrogance. That's the exclusive territory of the Prime Minister, as has been proven by at least three of the last six PMs.

So, Mr. Premier, if you continue with all this common sense business, you'd better take some prep time, brush up on your teaching skills and look for a school in North Bay that's willing to take a chance on an ex-politician. Perhaps a school in need of a business course instructor would be appropriate. Ontario just isn't ready for this common sense foolishness.

jg

Impeachment in Ontario?

Editor:

After reading Mr. Valentine's letter in the October 26 edition, it's interesting that Mr. Valentine hit the nail on the head regarding the Harris government. I'm not much of a politician but I went to school. He said it the way it is, (unfortunately).

I don't ever recall, in my time, of having such an arrogant overpowering government running our province. He has jeopardized more lives in his ignorance of the physical needs of people. He is a real disgrace to the residents of Ontario. His cutting and slashing started on being elected and he has never ceased. He promised so much on being elected, then totally reversed. All his promises, so many lives have been lost needlessly, because of no hospital beds and no doctors to look after people and now above all else our children must be educated and he is closing schools. Our children are our next generation.

I must add that Harris paid the deficit, through all the slashing and with taxpayer's money. Any jack-ass could pay off the deficit this way, by taking away all our everyday

needs. Now that an election is a few months down the road, naturally he is putting some money back into hospitals, where it should have stayed in the first place. I do believe the only solution to this type of thing is, that in an election, when one is voted in, it should be law that if an attempt isn't being made on all the promises they made to be elected, in a six months period of time then an impeachment should apply. In this case it is much overdue. We must not forget what the provincial government has done to our province.

Nell Miscio
Minden

Safety always a concern in the bush

Editor:

I am one of the hunters that helped Mr. McDonald to safety on October 19. The reasons I am responding to his letter are the inaccuracies and the tone in which it was written.

When Mr. McDonald and his friend attended our camp that night, they told us that they were given directions out of the bush by their own hunting party, but somehow got lost. They asked how to get to the

Bobcaygeon Road, not for a ride. No one in our camp was aware that Mr. McDonald was in need of medical assistance.

Directions were given to the two men to get them where they wanted to go, which was east of our camp. We did point out the direction of east, because they did not know and I assume did not have a compass. The two did leave our camp after a short discussion about who they hunt with, but returned a few minutes later, not 15, and asked for a ride for the first time. Mr. McDonald indicated a medical emergency and two of us immediately, not eventually began dressing for the trip out of the bush. Others assisted getting our ATV'S ready. It was at this point that we became aware that Mr. McDonald and his friend had only what they wore. He would not have survived the night in the bush.

Mr. McDonald, it would appear in his letter to the editor, is upset with our hunting party and that is his opinion. He should however, be accurate with his description of events if he wishes to air his views in a medium such as *The Times*. I was not the one lost and not the one injured. I saw things clearly on that night.

I speak for the whole camp when I say that we are pleased that Mr. McDonald is on his way to a healthy recovery, and we would help again if the need arises.

Problems with Anson Street culverts blocked up at council

Editor:

I am writing in response to John Thomas' letter last week entitled "Who Knew?". I empathize with him and the BIA.

On September 10, a neighbour and myself went to council concerning problems with the ditch on Anson Street.

Before we could even present our case, we were told the councillors had driven up this stretch of our street. Despite the fact none of them had even gotten out of their cars, my pictures of culverts blocked with mud and gravel were passed around, barely looked at, or acknowledged. Signatures of property owners had the same effect.

As far as they were concerned, our case was

over in 10 minutes. Upon insistence, they agreed to send our concerns to the Roads Committee meeting.

I was informed of that meeting, and although I could not attend, two of my neighbours did. In the end, they were told that the culverts would be cleared by the end of October. We are still waiting.

Upon reading Mr. Thomas' letter, his last words sum everything up (we've made up our minds, don't confuse us with the facts.)

It makes me wonder just who our elected officials are representing. It certainly doesn't seem to be the taxpayers, or business owners of Anson, Hindon and Minden.

Susan Pye
Minden

Thanks for support

Editor:

I have always heard comments that suggest that unless you were born in Haliburton County, then you will never be truly accepted by the local people. Our families' recent experience proves that such a statement could not be any further from the truth; let me explain.

On this past Thanksgiving weekend our family suffered a great loss. My wife's (Joyce) father (Alec Compton) died while working on the roof of his house near Wilberforce. To say the least we were all devastated by the loss of such a wonderful man.

When our neighbours heard what had happened they not only offered their condolences, they gave so much more. Our closest neighbours Larry and Debbie Donaldson brought blankets, pillows, and air mattresses for those family members who arrived later

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

that night from Toronto. They made very difficult phone calls and even picked Joyce up from work when she was unable to drive after hearing the news about her dad. The Donaldson's and their family bought and prepared a great deal of food for all those who shared in our grief during our days of mourning. We are truly blessed to have such great neighbours! One gentleman even brought fire wood to my mother-in-law's home, so that she would have one less thing to worry about and so many other's helped in so many other ways, all of which is greatly appreciated.

This experience has left Joyce and myself feeling good about our decision to live in Haliburton County and it reinforces what we already knew, that you don't have to be born here to be accepted.

Special thanks to Monks Funeral Home, especially Barry. To O.P.P. officer Mark Davis. To both, your thoughtfulness and kindness will always be remembered. To our colleagues, thank you for your support.

Dan & Joyce Stevenson
Highland Grove

Exorcising the Right

Editor:

Chris Hodgson deserves to be re-elected as do Isabel Bassett, Bill Murdoch, Chris Stockwell and many other good caring PC MPP's. However the jerks who are wrecking our schools and apprenticeship system, screwing up health care, creating a disaster in municipal taxation, downloading millions of dollars in costs to the poor middle-class taxpayer, forcing unneeded municipal amalgamations, and making conservationists, loggers and everyone else mad about our parks system should all be tossed out pronto.

those who fish for sport and those who catch something.

Anon

Let me declare my bias right at the start: I don't fish. I live on the ocean about 25 yards from water that teems with salmon, ling cod, halibut and a host of undersea leviathans I couldn't even identify. I have watched, from my back porch, blue herons gobble down, and bald eagles snatch up, fish that would have been mounted on a plaque, back in my native Ontario. My new neighbours fish. Rich Americans spend thousands of dollars a week to fly in and drop their lines in water not a half mile from where I sit.

And yet I don't fish. And I'm not exactly sure why.

I used to, back in Ontario. I can't count the number of times I have stood up to my unmentionables in cold Ontario rivers, courting hypothermia while trying to coax something — anything with fins — out of the water. A jerk at one end of a line, waiting for a jerk at the other.

I think fishing doesn't appeal to me any longer for the same reason that I can't imagine shooting ducks in a barrel. The thrill is gone. When I was a kid it was just me, a bamboo pole and a tomato can full of worms. Fishing's just not like that anymore. Nowadays fisher-

men have radar scanners to tell them where the fish are; charts and maps to apprise them of the shoals and holes where lunkers like to lurk. They have hi tech boats and an array of lures and baits, custom-tested by fish biologists. They fish with down riggers that could lift a submerged Buick off the bottom. High technology has destroyed the cods stocks on our east coast and decimated the salmon stocks on our west coast.

Fishing — be it commercial or sport — just ain't cricket anymore.

The latest piece of weaponry in the anti-fish arsenal? The 'Aqua-Vu'. It is, if you can believe it, a video system comprised of a miniature TV camera connected by a cable to the end of the angler's fishing line. It's inventors claim that Aqua-Vu allows fishermen to "actually see how fish are responding to the bait they are using."

Swell. Why not take ALL the mystery out of the pastime — just lob a live grenade over the gunwale and net whatever floats up?

Which we may not be all that far from, by the way. You ever watch Canadian Sportfishing? It's a TV show in which your hosts, all decked out in camouflage gear and the latest in angling gadgetry, natter at the camera as they cast for fish. Typically, they catch about 85 fish per program and I never could figure out just how they managed to be

so lucky.

Until I read about the court case in Trenton, Ontario last spring. Two of those fishing star hosts — Henry Waszczuk and Italo Labignan — pleaded guilty to charges laid by the Ontario Ministry of Natural Resources.

It appears they were caught 'jigging' — hooking fish in the body, off-camera — so that they could re-hook them in the mouth and retrieve them with the cameras rolling.

It costs them \$1,800 in fines plus, I would guess, any credibility they ever had with legitimate anglers.

I have to confess that I find a silver lining in this black cloud of a story. I think it's heartening that after a couple of centuries of humans using every trick in the book, fish are still so wily that a couple of professionals equipped with the latest gear, are reduced to cheating to make their fishing trip look successful.

It seems Italo and Henry forgot the one cardinal rule for a successful fishing expedition. It's a matter of timing.

You have to get there yesterday.

Etcetera

Community supports walleye enhancement

(from page 4)

cial government announced in the May budget. This project has also received funding from the Community Fisheries Involvement Program (CFIP), another MNR partnership program.

The fund is dedicated to encouraging partnerships between the MNR and local groups and to increasing the benefits associated with Ontario's fish and wildlife resources.

Kennedy acknowledged the work of the Honourable Chris Hodgson, MPP for Victoria-Haliburton in getting the

funding approved.

"During his time as Minister of Natural Resources, Mr. Hodgson was highly regarded by anglers and hunters throughout the province," Kennedy said. "His commitment to this project proves he remains committed to the cause of enhancing angling opportunities now and for future generations."

Nobody is more aware of the local support of this project than Pat Kennedy. The past president of the Haliburton Highlands Outdoors Association has been involved in the push to enhance the local walleye fishery

Bomb threat closes Fenelon High School

School let out early after the Fenelon Falls Secondary School received a bomb threat at about 11:30 a.m. on November 3.

The school was evacuated as quickly as possible and the Minden Coboconk detachment of the OPP and the Fenelon Falls Fire department were called in. Officials searched the school to ensure the safety of the area. The

school was re-opened the following day.

Police are investigating with the co-operation of school staff in the hope of identifying the person or persons responsible for the bomb threat. The police request that if anyone has any information on the bomb threat, to please call them, or area Crime Stoppers.

since before this project started.

Partners in this project include the Haliburton Highlands Secondary School, the Municipality of Dysart et al, the Haliburton Rotary Club and local businesses.

HHSS students, under the supervision of teacher and project leader Dave Mowat, and have provided much of the labour. Mowat applied for and received CFIP funding for the three-year project.

Ministry of Natural Resources fisheries extension biologist David Flowers, of the Minden office, applied to the Fish and Wildlife Protection and Enhancement Fund, stressing the community support and high school involvement. Flowers is convinced that support and involvement played a big role in the favourable response to the application.

Close games highlight busy week for Major Tykes

Bobcaygeon 5, Minden 4

The Major Tykes have been busy the past two weekends.

Minden played host to Bobcaygeon On October 25. A hard fought battle ended in a 5-4 loss for the Monarchs. The loss wasn't too hard to take since we were witness to the high flying puck-handling style of Jason Chapman, who can now lift the puck over the heads of the oncoming attackers. Jason was successful in scoring two of the Minden goals. Chapman's goals were assisted by Matthew Robins, Dean Hutchison, Joey Findeis and Cody Garbutt.

Paddy Manuge again saved many shots including several taken by Bobcaygeon's top guns Bryan Hayford and Riley Austin on breakaways.

Dean Hutchison scored for Minden, assisted by Joey Findeis and Matthew Robbins. The highlight for many had to be the goal scored by Minden's own J.J. Kerr off a shot from Dean Hutchison, which landed just outside the goalie's crease in the middle of the third period. That goal tied the game at 4-4.

All the boys played well, but a goal scored late in the third period by Bobcaygeon ended the game with the visitors ahead by one.

Woodville 3, Minden 1

The Tykes were hosted by Woodville on October 26. The final score was 3-1 in Woodville's favour.

Minden's only goal was scored by Robby Hicks, assisted by Matthew Robins and Dean Hutchison.

Huskies 5, Monarchs 4

Hallowe'en Day saw Tykes in Haliburton. Taryn Robins opened the scoring with one second remaining in the first period. Taryn's goal was assisted by Alex Cray and Ryan Smith.

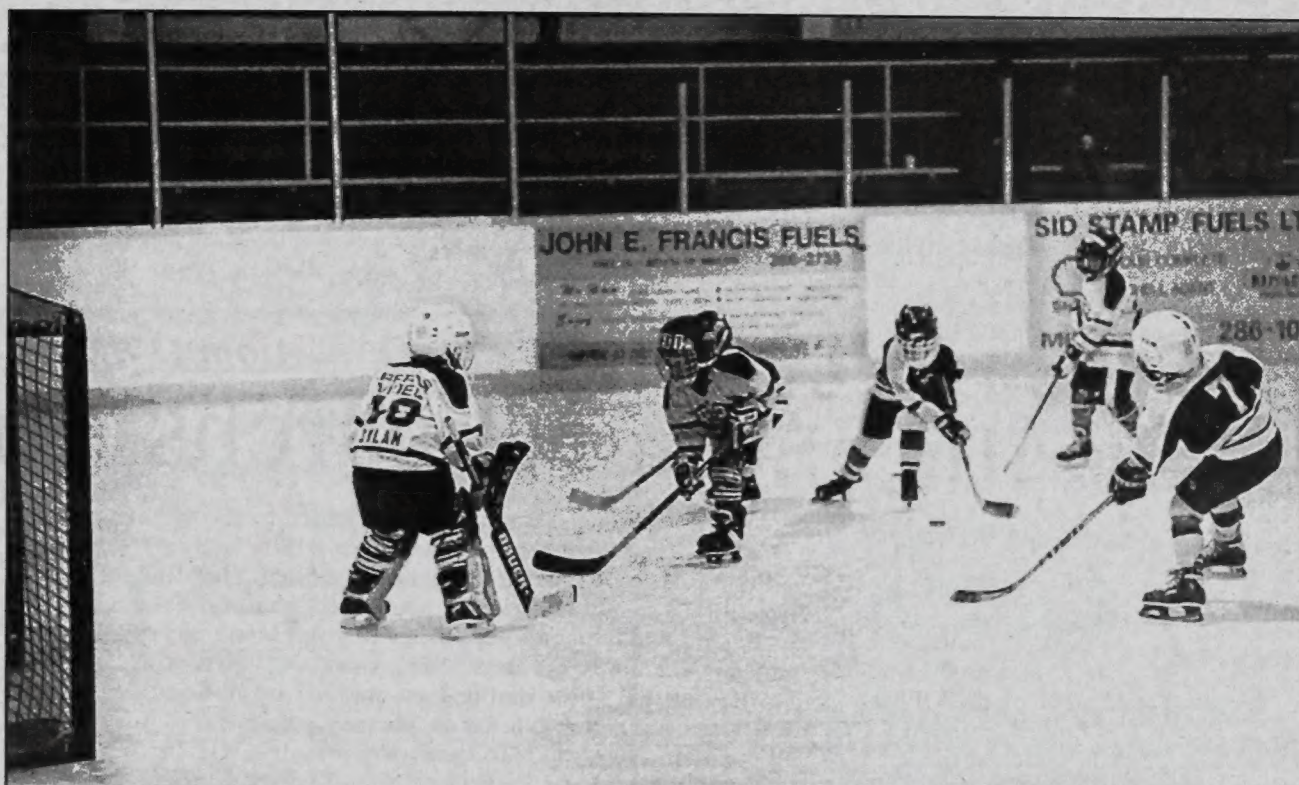

Haliburton answered with four goals in the second period and one in the third before Robby Hicks scored, from Ryan Smith and Taryn Robbins.

The final score was Huskies 5, Monarchs 2.

Minden 3, Ops 2

The Ops team came to Minden on November 1 and played in front of a pumped up crowd. Alex Cray had a good game in goal for the Monarchs.

(more on page 15)

TOUGH COMPETITION: Minden's Minor Tyke Monarchs hockey team faced some tough competition in the form of the Bobcaygeon Tim Hortons squad. The Monarchs played host to the Bobcaygeon Team Saturday and although the home team made some good rushes, the Bobcaygeon netminder stopped them in their tracks. Meanwhile, the Tim Hortons team gave the Monarchs a few lessons on stick-handling and teamwork. The time keeper stopped counting in the third period, when the score reached 8-0. But the Monarchs didn't give up, showing true competitive spirit to the final buzzer. Minden goaltender Dylan Reynolds made some exceptional saves, including some Bobcaygeon breakaways.

Atoms battle to 4-4 deadlock

An Atom OMHA hockey game in Minden Saturday turned out to be a barn burner that ended in a 4-4 draw. The Minden Monarchs played host to Millbrook and although the home team enjoyed the

lead twice in the first period, the opposition turned the tables in the second and third, forcing the Monarchs to catch up.

Minden drew first blood with a goal by Aaron Keaney midway through the first period. Mark Fisher and Sean Keaney assisted.

Millbrook responded with the tying marker with 2:56 left in the period.

The Monarchs took the lead again 49 seconds later, when Andrew Bull scored, from Kody Smith and Darrin Brown.

The visitors regained even ground just 38 seconds later, ending the period in a 2-2 draw.

A single goal in the middle frame went up on the visitors' side of the scoreboard and Millbrook took a 3-2 advantage into the third.

Less than a minute into the third, Millbrook struck again for a 4-2 lead.

Brown closed the gap to 4-3 at the 5:11 mark. Aaron Keaney and Bull set up Brown's goal. Then, with 5:12 left in the game, Fisher scored the equalizer for Minden. Brown and Bull assisted.

Neither team was able to get a shot past the opposing goaltender for the remainder of the game.

Atom OMHA action in Minden

Monarchs thump Port Perry

Another win was added to the Minden OMHA Atom Monarchs' season tally with a 7-1 triumph over Port Perry on November 5 in Minden.

Darrin Brown scored a natural hat trick in the second period, leading the Monarchs to victory.

Andrew Bull opened the scoring midway through the first period, from Kody Smith and Brown. Aaron Keaney made it 2-0 for Minden with less than two minutes left in the period. Mark Fisher and Sean Keaney set that one up.

Two minutes and four seconds into the middle frame, Brown scored his first of three in a row.

Bull Assisted. Just nine seconds later, Brown netted his second, again from Bull. With 2:24 left in the period, Brown rounded out his hat trick, converting a set-up from Smith.

The Monarchs went ahead 6-0 at the 3:47 mark of the third. Fisher was the sniper, from Zac Joanu.

Port Perry broke Minden's shutout bid just eight seconds later.

Fisher's second goal of the game, with 3:26 remaining, rounded out the game's scoring. Bull and Sean Keaney assisted.

Nordic Skiers are thinking snow

A chill wind blew out of the north promptly at the beginning of the month, raising the hopes of skiers and chasing away the last vestiges of an Indian Summer that had begun to overstay its welcome. Many skiers had begun to wonder where the sting of Jack Frost had gone when Hallowe'en arrived in continued warm temperatures.

Besides colder weather, November sometimes brings early skiing that can be done on grassy lots and unplowed roads. Changes to the trails in Haliburton's Glebe Park may also mean that skiing can begin sooner than usual as the results of continuous trail maintenance begin paying off with smoother trails.

It is also time to renew Haliburton Highlands Cross-Country Ski Club Memberships (still the best value in the free world), and 1998 will be the first time the Annual Meeting of the Ski Club will be held in our own clubhouse at Glebe Park in Haliburton. It will be held Sunday, November 15 from 1 p.m. to 4 p.m. Plan to attend!

As usual, new members are strongly encouraged to attend to meet new skiing friends and obtain membership passes. These canny skiers will also be eligible for the Early Bird prize draw that always features

fabulous items donated by local businesses. This is also a great way to get information about the club or learn the secrets of waxing.

There will, once again, be a ski swap. This is a good time to exchange children's equipment or go hunting for new stuff. This year, members are encouraged to donate some of the proceeds of sales to the clubhouse fund.

This year's edition brings some changes to the traditionally social event. Since the meeting is handy to the trails, a work party will be organized to erect the barriers

that protect the trails as well as to do some touch-up trail work. Please bring a shovel, rake or saw to help with last minute improvements.

Another work party will be held to clean up sections of the Lakeview Trail on November 25, so please plan to attend if you are available. For information, please call John Felts at 457-1640.

Finally, the best wishes for a speedy recovery from all the Ski Club Members go to our President, Peter Brogden, who is recovering from recent hip surgery. Fortunately, he is now stuck near the telephone to answer member inquiries, so please call him with questions or good wishes at 754-2351.

Until next time, think snow.

Nordic Notes

By Blake Paton

Novice B Monarchs 1-0-1 against 'Caygeon

It was the Derek Nesbitt show when the Minden Novice B Monarchs went to Bobcaygeon on October 30. Nesbitt scored three of the five Minden goals, leading the Monarchs to a 5-1 victory.

The first period of the game at the Bobcaygeon arena was scoreless, in spite of numerous opportunities by both teams.

Just 2:39 remained in the second period when Nesbitt broke the scoreless draw with his first of three in a row. John Murray assisted. Less than a minute and a half later, Nesbitt scored again, for a 2-0 Minden lead. Ryan Kerr and Murray set that one up.

The hat trick goal for Nesbitt came at the 3:28 mark of the third period, from Kerr and Daniel Walker.

Thirty-five seconds later, the Cougars got on the scoreboard, spoiling Minden goalie Mike Toye's shutout bid.

The Monarchs added insult to injury, scoring twice in the last eight seconds of the game. Jared Mills scored with eight seconds left, from Davis Reynolds and Colin Callaghan. With one second showing on the clock, Callaghan notched the fifth Minden goal. Mills assisted.

Hungry to avenge the loss from the day before, the

Cougars were in Minden Sunday, November 1 for the rematch.

The Monarchs struck first, getting one by the Bobcaygeon goaltender 12 seconds into the first period. Nesbitt was the sniper, unassisted. Less than two minutes later, Callaghan scored to give Minden a 2-0 advantage. Murray assisted on that goal.

Bobcaygeon cut Minden's lead in half, scoring with just 11 seconds remaining in the first period.

A minute and a quarter later, Minden pulled ahead by two goals again with an unassisted goal by Callaghan.

The Cougars got right back in the game with a goal a minute and a quarter later and the period ended with Minden in front by a 3-2 count.

Nesbitt's second goal of the game midway through the third put the Monarchs in front 4-2. Murray assisted.

The Bobcaygeon team couldn't be counted out. The Cougars bounced back with two goals before the end of the game to salvage a 4-4 tie.

Come on out and enjoy the sport

by Sandy Cole

Millions of Canadians have already discovered that curling is the perfect winter ice breaker. It offers the challenge of a team sport that uses skill and strategy, while at the same time providing an excellent opportunity for recreation with family and friends.

Breaking the ice and becoming a curler is easy! Rules and basic skills are simple to learn. Equipment and fees are most affordable and a variety of league, bonspiel and instruction clinic options are available.

Curling clubs across the country are ready to show people in their community all the sport has to offer.

Whether people wish to sample curling for the first time or begin playing on a regular basis, it's the perfect time to come out and try the ice. For further information call and leave a message at the Minden Curling Club 286-3311 and a representative will be happy to get you started. See you at the rink!

Novice A Monarchs win two out of three games

The day after the flu-ridden Novice A Monarchs were soundly beaten at home 9-1 by Mariposa, the Monarchs travelled to Millbrook, to face a team that had recently beaten the tough Mariposa squad. The score in this game was again 9-1, but this time Minden came out on top.

The Monarchs reverted back to their winning form, showing the great team effort, opportunistic shooting and solid goaltending that has been evident all year long.

Matt Eno led the way with four goals, and all Minden forwards had at least one tally this game.

Steve Kerr, Ed Cyr, Matt Clements and Derek Carpenter provided very solid protection for goaltender Mike Lennox.

First Period

1. Minden, Fry (Walker, Joanu) 6:56
2. Minden Eno (unassisted) 4:42
3. Minden Eno (Kulas) 1:18

Penalties: None

Second Period

4. Minden, Joanu (Walker) 8:48
5. Minden, Walker (Fry, Carpenter) 5:38
6. Minden, Eno (Carpenter) 4:40
7. Millbrook, Cudmore (unassisted) 2:05
8. Minden, Kulas (Hicks) 1:43

Penalties: None

Third Period

9. Minden, Hicks (Kerr) 8:05
10. Minden, Eno (unassisted) 7:15 sh

Penalties: Minden, Clements 7:34

Shots Minden 4, 8, 5 - 17; Millbrook 3, 4, 7 - 14

Goaltenders: Minden - Lennox 7-1-1
Millbrook - Ling

Minden 1, Ops 0

On Tuesday, November 3 The Ops Novice A team travelled to Minden for a weeknight game.

This was a very evenly played match with good scoring chances and solid goaltending at both ends of the rink.

The line of Kyle Fry, Sherri Walker and Jordan Joanu had many good scoring chances only to be denied by a sharp Ops netminder. Walker was robbed on a breakaway, and Fry was denied twice on good scoring opportunities.

The only goal of the game was scored by Matt Eno after he tapped in a loose puck resulting from a Brady Hicks shot. Billy Kulas also assisted.

Mike Lennox turned away 25 shots for his second shutout of the season.

First Period

Scoring: None
Penalties: None

Second Period

1. Minden, Eno (Hicks, Kulas) 6:13

Penalties: None

Third Period

Scoring: None
Penalties: None
Shots Minden 6, 6, 7 - 19; Ops 9, 8, 8 - 25

Goaltenders: Minden - Lennox 8-1-1;
Ops - Haley

Major Tykes set to play host to Fenelon and Woodville

(from page 9)

Ops opened scoring with 8:26 remaining in the first period, followed by a second goal 44 seconds later.

Minden came back with the next three goals to win the game. Minden's first goal came at the 5:06 mark of the first period. It was scored by Matthew Robins, assisted by Ryan Smith and J.J. Kerr. Minden's next goal came one minute later, scored by Jason Chapman, assisted by Joey Findeis and J.J. Kerr.

The second period was scoreless, but exciting nonetheless.

The winning goal was an unassisted marker scored by Matthew Robins.

The final tally was 3-2 for the Monarchs.

Minden played Bobcaygeon Friday, in Bobcaygeon. On Sunday, the Monarchs traveled to Ops. Details next week.

Next games

The next home games are Saturday, November 14 at 11 a.m. when the Monarchs will play host to Fenelon Falls and Sunday, November 15 at 2 p.m. against Woodville.

Battle of the Bands raises funds for Protocol

by Andrea Hughes, HHSS student reporter

No place can rock out like Minden. Yes, it's true, on Saturday, October 24 there was a Battle of the Bands at Protocol, the Minden youth facility. This concert was organized by Erin Fielding, Kim Lindsay and Ellen Brohm to help raise money for Protocol to re-open so that people have a place to go when there's nothing going on, which sometimes happens.

The night opened with No Talent from Nowhere. The band includes Scot Curry, Dave Bloomfield and Ryan Chalmers. They entertained with some superb music and lyrical style, especially with that song about making dinner...

Next was Short Order, which consisted of Dan Craig, Devon Ryan, Alex "call me if you're a lady" Ambridge and the two guys on turntables, Matt Hindman and Matt Brown. They had some eccentric, different stuff and catchy lyrics.

420 played third. Ryan Chalmers, Drew Poole, Jay Sipe and Nathan MacDuff were exciting and loud but stopped early because they were dissatisfied with their set. 420's Roadie Christian Morgan is worthy of note. He was there to pick things up if people dropped them.

And the last band was Glib (a temporary name), consisting of Doug Clark, Andy Postlethwaite, Greg Luck and Dan Vanderlip. They started off with "Thunderstruck" (nothing like a little AC/DC to shake things up). The band writes a lot of its own material and played wearing pinstriped vests. Yes, that means bare arms.

It was really obvious how much fun everyone had playing, and watching for that matter. Seeing Scot Curry crowd-surfing was the highlight of my night.

The winner of the "Battle" was Glib, who collected \$75. Second place went to 420, which received all of the pop and chips everyone could carry.

Everyone had a good time. Pop and chips tend to make everything good, of course. Erin and Kim say that another battle of the bands is being planned for some time in January, so people should start getting

ready for that.

Photographs this week are courtesy of the lovely and talented Kim Mulholland and the very charming Dan Craig.

NO MICHAEL BOLTON ALLOWED: Glib was the big winner at the Battle of the Bands on October 24. Other local bands that performed included 420, No Talent From Nowhere and Short Order. 200 people from around the county showed up at the Protocol Fundraiser, which made over \$700.

Lands for Life comments will be accepted until November 30

Natural Resources Minister John Snobelen recently made public the consolidated recommendations of the Lands for Life Round Tables, which were established in 1997 to advise government on the strategic use of Crown land across much of northern and central Ontario.

"The Consolidated Report makes an invaluable contribution to ensuring that we use our natural resources wisely and well in the future,"

Snobelen said. "The Round Tables, and the approximately 65,000 people who took part in this consultation process, have carried us a long way towards a land use strategy for the future."

"We will be considering what options are available to help achieve the objectives set out at the beginning of the Lands for Life exercise," the Minister said. "I invite the public to respond to the report within the next 30 days. I look for-

ward to any suggestions from individuals and organizations."

Public responses to the recommendations can be sent up to the end of business day, November 30, 1998. They should be sent to:

Hon. John Snobelen,
Minister of Natural Re-

(more on page 20)

Looking after those who fought

Remembrance Day is an opportunity for Canadians to pause and reflect upon the sacrifices made by our veterans. Canadians recognize that we owe an enormous debt of gratitude to our veterans for safeguarding the freedoms and liberties we hold so dear. For it is, after all, our veterans who sacrificed the best years of their lives to help forge our country, considered by many to be the best in the world in which to live. Of the 1.75 million men and women who served Canada in World War I, World War II, and the Korean War, 116,000 died and 229,000 were wounded.

By the end of 1998-99, there will be about 400,000 Canadian veterans with an average age of 77 years. In Canada, one in four men over the age of 65 is a veteran.

In recognition of these sacrifices, the Federal government is focussing on the health of veterans, providing them with financial support, and ensuring that they receive the recognition they deserve. Veterans Affairs Canada (VAC) is the body charged with doing so. Of its 1997/98 \$2 billion allocation, \$1.2 billion was spent in disability pensions and another \$517 million was paid out in health care expenditures.

VAC is working to improve client service to our veterans through streamlined business processes and new technology. The Client Service Delivery Network (CSDN) eliminates much of the paper burden and provides a new on-line system so that information is up-to-date. The CSDN is an important tool as part of a client-centred approach to service that emphasizes more personalized care and services based on the needs of the individual client. The Review of Veterans' Care Needs (RVCN) is identifying changes in the needs of aging veterans and how VAC can improve its health and income support programs over the next decade. VAC will play a more direct role in developing health promotion and education programs for veterans and, by extension, Canadian seniors. In fact, VAC is building a reputation for expertise on the subject of aging. The priorities of the health promotion initiatives are: physical health and well-being (fitness/exercise, nutrition, medication awareness and injury prevention and home safety); caregiver and family well-being (caregiver support, respite care, bereavement support); and emotional health and well-being.

VAC has also recently reviewed its Prescription Drug Program to improve health outcomes and elimi-

nate excess and duplication. The revised drug plan was introduced in Ontario in September 1998. A national Gerontological Advisory Council (GAC) has also been established to provide a forum for discussion on the future care of Canada's aging veterans. In response to the emerging focus on community-based care, VAC is pursuing a multi-disciplinary, holistic approach to health and social services; one that helps delay the onset of illness through health promotion and education. Intrinsic to this strategy is a comprehensive program of initiatives designed to help veterans live independently in their own homes as long as possible.

VAC will remain well positioned to safeguard clients' health, respond to their evolving health care requirements and direct health resources toward areas of greatest need. The Federal government is committed to providing the resources and expertise to ensure that this care and support is delivered to our veterans in the spirit of respect and compassion that they so richly deserve. To all these men and women - these Canadian heroes - we say thank you.

We in this community, as Canadians in communities across this land, owe them so much. Our pledge is to never forget their sacrifice and to pass on their legacy to our children and our children's children. Let us forget.

served during the Second World War. People like those who traveled overseas to fight in the Korean War. People like

those who fought for the other important causes of the last half-century.

Those of us who did not live through the war years cannot possibly know the pain and sacrifice our veterans endured. They have done more than their share for our country.

It is now up to us to

remember always the sacrifices they made. Without the selfless sacrifices that those who lived and died made, we would not enjoy the freedom and lifestyle that has been provided

On November 11, and on every day throughout the year, I would ask that we all join together in remembering and thanking those who gave everything so that we could live under a blanket of peace and security.

Our Hometown

A great place to live, work and play.

A place where our neighbours are friends and are always willing to lend a helping hand.

A great place to raise a family and put down roots.

A place where people genuinely care about each other and are quick to offer a friendly nod or a cheery hello!

A place one proudly calls home!

Our Hometown

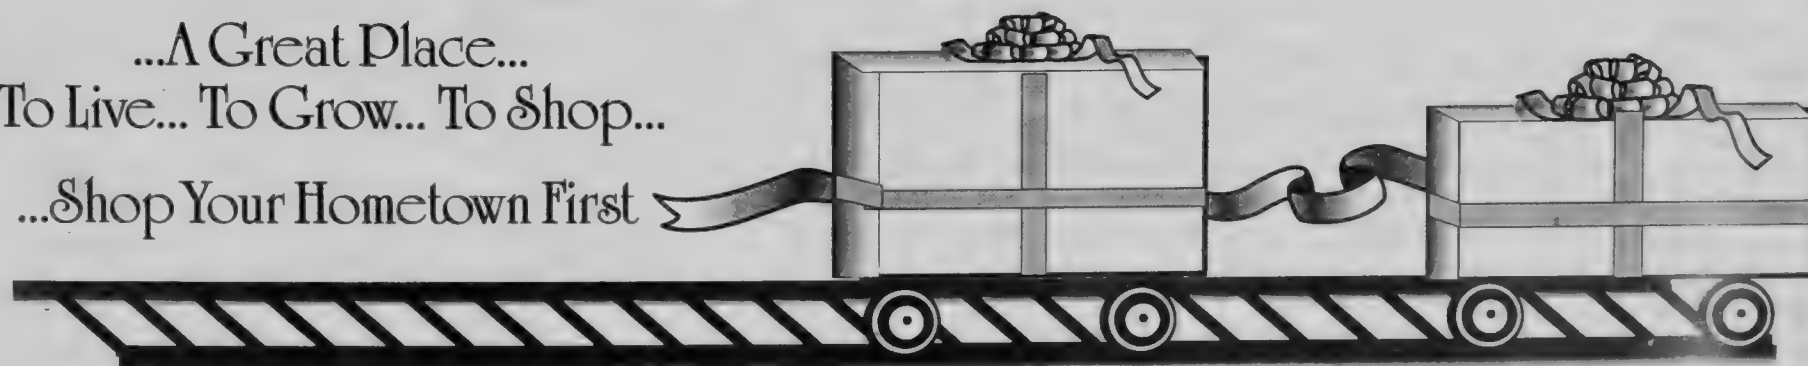

Let's work together to ensure the future growth and prosperity of our community.

By shopping locally this Christmas you are supporting the local businesses, an important part of our hometown. They provide employment opportunities for our residents and the products and services we need, when we need them.

Moreover, local businesses contribute to the welfare of our community and take an active interest in the growth and future of our hometown.

Your Hometown...

...A Great Place...
To Live... To Grow... To Shop...
...Shop Your Hometown First

Organizers pleased with fund-raiser turnout

Some of the kids in Minden have discovered the right protocol for raising money, as a recent battle of the bands raised over \$700 for the Minden Youth Centre, in the hopes of re-opening the facility.

Almost 200 people attended the battle of the bands on October 24. Four local bands participated and it is hoped that with greater advertising and more bands the organizers will be able to hold another similar event in January.

"It was packed," said Ellen Brohm. "We were totally surprised to get so many people." Brohm, along with Kim Lindsay and Erin Fielding helped organize the fund-raiser, with the help of Family Services of Haliburton County. As well, local businesses including valu-mart, IGA, Subway Development and Kerry's Dairy made generous contributions to help the evening become a real accomplishment. All of the organizers say that the transportation from Haliburton to Minden played a large part in the evening's success. They also pointed out that throughout the evening, there were no complaints about noise, drugs or alcohol.

The Protocol Youth Centre was closed recently due to a lack of volunteers. The facility is looking for additional volunteers, over the age of 16.

Additional bands have approached the organizers offering to participate in a bigger and better Battle of the Bands in a few months.

GENERALS OF THE BATTLE: Ellen Brohm, Erin Fielding and Kim Lindsay helped raise big bucks for the Protocol Youth Centre in Minden by hosting a Battle of the Bands. It is hoped that a bigger and better battle will be held next year to include all interested bands.

Putting some Razzamataz into the concert series

-submitted-

What do Dan, Betty, Alice and Tony have in common and why are they coming to Haliburton County? They're all part of this upcoming, amusing, creative and exciting 1999 season of Razzamataz Kids Shows! (Formerly the Haliburton County Children's Concert Series).

The Concert Series Committee held a "Name the Series Contest" last spring. The winners were Joan Grant and her children Luke and Daniel Boisvert. "We wanted a new name that reflected the energy and excitement of children's entertainment and 'Razzamataz' fit the bill," stated Julie van Lieshout, Chairperson of the concert series committee. Joan and her children will receive tickets for this season as their prize.

Tickets are now on sale for this season's line up: Dan the Music Man on January 17, Aunt Betty's Rhubarb Pie on February 21, MOTOS O dance theatre — Alice on March 28 and Tony Molesworth on April 18.

Dan the Music Man will kick off the season and be our ambassador on a musical trip around the world. Children and families will delight in an adventure that stretches the imagination and tickles the funny bone to inspire that crucial element — audience participation!

Dan invites the audience into a magical world filled with music and emotion. His show promotes participation, fun and entertainment. Dan's enthusiasm for a fabulous mix of fresh original songs and family favourites is contagious. The audience will smile, laugh, clap and sing along.

Aunt Betty's Rhubarb Pie is a children's theatre

company that uses a variety of life-size, fascinating puppets and lots of audience participation to stir up and enchant the imagination of children and adults alike.

In this season's production, *Story time, The Three Billy Goats Gruff*, the troll is undone by his own greed and some quick thinking goats (who include, among others, the kids in the audience!) Aunt Betty's appealing larger than life puppets will become a favourite of kids.

The MOTOS O dance theatre will present an adaptation of Lewis Carroll's whimsical stories *Alice in Wonderland* and *Through the Looking Glass*. Alice is an exhilarating adventure that will spin you off to another land.

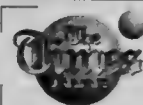

Alice must manoeuvre herself through a topsy turvy world leading to a dynamic climax that could only happen in Wonderland. Join us as MOTOS O dance theatre performs this awesome presentation of Alice using a unique version of dance and mime with incredibly colourful and mesmerizing costumes. This show will delight and amaze audiences of all ages.

The season will wrap up with Tony Molesworth, a "hiplarious" vaudevillian. He's a one man, all comedy, variety show mixed with a potpourri of musical and magical skills such as banjo, stand up comedy,

juggling, ventriloquism and lots of audience participation. From Toronto, he holds the comedy unicycle jump record! Come laugh until you cry as he juggles and clowns around.

You are not going to want to miss this season's line up. Tickets are only \$18 per person in advance for all four shows and \$8 per person for each show at the door.

As a volunteer non-profit group, Razzamataz Kids Show is grateful to the following sponsors who help us to bring quality children's programming to Haliburton County at an affordable price. Rexall Drugs (Haliburton), Roberts Fuels, JAC Kernohan Construction, Minden Home Hardware, Grafton Utility Supplies, Minden IDA, YMCA Camp Wanakita, Haliburton IGA, Curry Motors and the Ontario Arts Council. For tickets and information call Julie vanLieshout at 457-3414.

Minden Girl Guides go on overnight safari

-Submitted-

Girl Guides in Minden have had a good start to the new season with all the age groups covered. However, if you know of a young girl wanting to join there is still room and time for one more. Contact Guiders for Sparks (ages five and six) Lynne Davis and Jana Robinson; Brownies (ages seven to nine) Valerie Robinson; Girl Guides (ages 10 to 12) Cheryl Bathe; Pathfinders (ages 13 to 15) Anne Costeloe; Senior Branches (ages 16 to 18) Faith Aggett at 286-1831.

First Minden Sparks

We have had lots of fun learning about each other. At our first meeting we introduced ourselves and told each other a little about our likes and dislikes. We made a sharing hands poster and went outside to play a game of soccer. Our next meeting we followed a treasure map to find buried treasure. We made streamers for crafts and danced to the music with them. It was Victoria's birthday so she got a surprise from the birthday box! At our Thanksgiving meeting we talked about what we were thankful for. October twenty seventh was our Hallowe'en party. The girls cleaned a pumpkin and drew on a face for the older girls to carve. We made paper plate spiders, talked about Hallowe'en safety, danced to scary music and snacked.

Second Minden Sparks

The Second Minden Sparks are a new development in Minden this year. While it was a little difficult getting going, we started on October sixth with seven Sparks and two leaders. We meet every Tuesday from 6:30 to 7:30. Thank you to the Anglican Church for the use of the room.

So far, we've been getting to know each other. We learned our promise: I promise to share and be a friend. We sing, play games, do crafts and read stories. We joined the Brownies for a Hallowe'en party on the twenty-seventh. It's been a fun and interesting month.

First Minden Brownies

We began our Brownie year on September 22 with 17 Brownies. We have worked hard learning our Brownie Promise, Law, Motto, Handshake, Smile, Brownie Story and reef knot over the past few weeks. We now have some girls ready to be enrolled on November 17. We are encouraged each week to do a "good turn" at least once a day. This is not always easy as it entails doing something for someone without being asked. We also have a lot of fun playing games, doing crafts, singing and dancing. We had a

Hallowe'en party with the Second Minden Sparks. There were some really nice costumes. We collected money for UNICEF on Hallowe'en. We are presently selling cookies, planning camp, practicing for our Sing Song at Hyland Crest and working on our float for the Santa Claus Parade

First Minden Guides

The girls have been very busy this summer serving tea at both the Artisan festival and the Quilt and Rug Antique show. In September we started right into Heritage, Folklore and Provincial Heritage badges. We made family trees and took a trip to Lang Pioneer Village. Marvella Smith from the Minden Museum taught us a pioneer craft as well as donating a started toothbrush rag rug that we can work on. We have also started our Endangered Species badge. We camped at Orono Jungle Cat World for a night safari. The girls really enjoyed this overnight camp. We howled with the wolves and enjoyed interacting with all the animals. Our Hallowe'en party was fun with lots of howling once again.

First Minden Pathfinders

The Pathfinders are a large energetic group of 12 girls. September and October have been busy months with an overnight camp to Orono Jungle Cat World with the Girl Guides and trying to get our weekend tent camp accomplished before the weather got too

nippy. Most of the girls have their Bronze camp emblem complete, while some have their Silver and are working towards their Gold.

First Highland Rangers

With the late start of school, and no late buses it was difficult to agree on a date for our first meeting. However, the evening of September 23 there were five girls and two leaders at St. Paul's Anglican Church from 6:30 until 8:30. It was decided that we would meet weekly, dues would be taken regularly, fund raising would have to be a primary concern and we would have to be consistent with our program to reach our year end goals. The girls voluntarily filled our necessary positions with Jennifer Ferguson acting as chairperson this year.

Along program lines, the girls have arranged with Mr. Brohman and the HHSS student council that a portion of the Hallowe'en dance be given to UNICEF. On a rotating basis, they are attending the Minden Pathfinder meetings to assist Anne as Junior Leaders and thus focusing on their leadership skills. During our joint residential camp with the Mariposa Rangers and the Minden Pathfinders on October 17, they set time aside to construct and plant a flower garden to the landscape of the Guide/Scout room.

The Chocolate Mint Girl Guide Cookies are here! Everyone will be selling cookies to raise funds to support our programs. Please give them your support.

Parade Co-ordinated by The Minden Lions Club

240+ goblins invade Hyland Crest

Hello to you all. And how was your week? We have had a fairly busy time of it, what with one thing and another. Our birthday tea party on the 29 was well attended with the ladies of the Wilberforce Legion hosting. We thank them for spending time with us and providing us with such a nice tea. During the tea party a small gift was presented to Judy Stevenson. It was our way of wishing Judy all the best as she starts her trial period at home. There were mixed feelings all around as Judy will be missed but we are glad she has this opportunity.

The following day, some of us were very busy assembling 210 candy bags ready for Hallowe'en. We hoped it would be enough. That afternoon Gord Kidd was here to entertain us at our Happy Hour, which we thoroughly enjoyed. On Hallowe'en we were so pleased at the turnout of children for trick or treat. There were so many little ones and what a joy they were in their various costumes. And guess what? We did run out of candy bags and had to scramble to come up with some more goodies. We did make it however and realized that this year we must have had over 240 children. Quite a successful Hallowe'en this year. Of course the weather was very co-operative. Not too cold and no rain or snow. Sunday was a fairly quiet day, just a few visitors in and out. It was good to have Reverend Burgess for his regular visitations. Muriel Harrison attended service at Zion United Church in Carnarvon where a memorial for her husband was read and Winnie Barnum was pleased to have her son Terry and his wife Norma visit with her.

Monday was fairly busy here. First of all a full bus left here for our annual Christmas shopping trip. Those who went reported a fun day and were appreciative of all the help given them, especially the volunteers who came along. Without their help, this trip would not be possible. Later on in the afternoon we welcomed the Salvation Army to our home. We always enjoy having them join us and look forward to

the next time they are here as they will be accompanied by their band.

Some time ago we told you that management and residents were in the process of forming an accreditation group. This means working towards the upgrading of our home. On Monday, several residents enjoyed a lunch with Jane Lyons of St. Stephen, New Brunswick. Jane is a surveyor for accreditation and she was here to observe the standards in our home and how we residents are served. She also interviewed management, governance personnel, staff, residents, volunteers and family members to help her gain insight as to how our home operates as a whole. The following day, residents and family members were present as Jane gave her report, which will serve as the guideline for our accreditation. Just think that in the very near future we can proudly say "Our home is accredited".

Our craft group is still very busy making items for our upcoming Christmas Bazaar. Yes folks, mark your calendar. December 5 is the day to set aside to attend. There will be lots of wonderful items for the sale, including some homemade preserves, crab apple jelly, governors sauce and also some raspberry jam. The jam was a recent donation by Joan Kernohan. Joan not only donated the raspberries but also made the jam to sell. Thank you Joan. It was very kind of you. Also the draw for our beautiful handmade quilt will take place at our bazaar. Someone out there will be very happy to win it. Get your tickets.

We missed our pub night this week as the Norland Hillbillies had prior plans. We look forward to hav-

ing them return next week. Instead we enjoyed a game of bingo.

We send get well wishes to Edith Russell who has been hospitalized recently. Look after yourself Edith, your card playing friends miss you! There are a few residents under the weather at this time. We are thinking of you and hope you are feeling better soon.

Today our tea party is scheduled to be hosted by the Minden curlers. We look forward to having them join us. We certainly are a lucky bunch to have these many varied groups host our tea parties.

We are approaching a milestone in Hyland Crest history. The upper residential wing will be going under the "smasher" very soon. In fact it is scheduled for next Tuesday. When this happens, everyone will be moved down to the other end of our home for safety's sake. Of course this will only be necessary during the daylight hours while the smashing is going on. It will certainly be something to see.

Well that's just about all the news at this end. But before we go there are some announcements to make. First of all, our birthday ladies. Betty Gooch who celebrates on November 11 and Vera Barnhart on November 14. There is an open invitation to family and friends of Vera's to come and help her celebrate 90 years young here at our home on Saturday, November 14 from 2 p.m. to 4 p.m. Come join in the fun!

We say goodbye to Roger Pearsell, who is leaving us tomorrow for Case Manor.

And we welcome Roy "Wimpey" Nichol who is here on a short stay.

We think that is everything, so we will sign off and wish you a good week.

Kinmount Lions celebrate achievements

By Lion Sandy Carrier and Lion Doug King

Highlander Bill Hartin

We are so very proud of our club and its members, especially of our Lion Bill Hartin for being the Highlander of the year. Well done Bill!

As you know the club is geared to fund raising for donation purposes. Well, our latest donations are as follows: \$150 for the Helen Keller Home for the Blind and Deaf; \$600 to the Lions Foundation of Canada; \$600 to Kinmount Minor Hockey; \$1000 to the Kinmount Heritage Railway Station; \$150 to the Gooderham School; \$200 to assist local people in need and \$200 to the Kinmount Legion for the laying of wreaths during the cenotaph ceremonies for Remembrance Day services at the Kinmount Legion, as well as the Gooderham service.

Special club presentations

Lion Grant Crofts received his 15 year Chevron for years of dedication to the Lions Club. Congratulations Grant!

Kinmount and District Lions Club President Christina Weerdenburg received her 100 per cent attendance President Achievement award. Thanks for terrific club leadership Chris. Other awards included in 100 per cent attendance for 1997-98 and the recipients were Lions Bryan Moulton, Doug King,

Grant Crofts, Darlene Smith, Dale Smith, Walter Leveck, Vince Leveck, Vic Ballik, Tony Weerdenburg, Chris Weerdenburg, Bill Hartin, Jim Hamilton and David Anderson. Well done.

Our club won first prize for its float at the Kinmount fair for our entry in the non-commercial division. The club is now getting ready for the Christmas season, by preparing our float.

The Lions Angel tree will be at the Mariposa Credit Union. Please pick a tag from the tree and help children have a happier holiday.

The Lions Food Box is at the Kinmount Post Office, so please drop off your non-perishable goods there.

Welcome new members

The Kinmount Lions would like to acknowledge our newest members. They are Lions Sandy Carrier, Karen Gill-Dennie, John Cloke and Lee Oster. Welcome to the Lions den.

We are looking forward to our annual Christmas Party as usual, but it will be especially nice to have this celebration with our new members.

The Lions were pleased to have special guest Brian Carey, our district governor visit with us on October 6. The Lions motto is "To Serve" and we will continue to be a valuable asset to our community. A special thank you goes to all persons who assist our

efforts by being so generous with their contributions. The community appreciates them, as do we.

THE HALIBURTON COUNTY STUDIO TOUR

Call to Enter : 1999 Haliburton County Studio Tour.

Criteria: Applicants must have both their studio and principal residence in Haliburton County.

All items must be original works of the artist. Kits are not acceptable. Work will be juried by committee. Consideration for new applicants will be based on availability of space, quality and medium of work, and location of studio.

Food items will not be considered.

Studios must be safe, accessible and presentable to the public.

Must be able to have a minimum of \$10,000 worth of stock on Studio Tour weekend.

Send resume and photos of work to Rickie Woods, Blairhampton Rd., RR#1, Minden KOM 2K0 by November 27th

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-13/98

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 18, Concession 10, and being more particularly described as Part 2 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6546.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 10th day of December, 1998, at the hour of 4:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 30th day of October, 1998.

Mary Jane Irwin, A.M.C.T.,
Clerk-Treasurer,
Township of Lutterworth,
P.O. Box 850,
Minden, Ontario,

THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File No. SRA-98-03)

IN THE MATTER OF the Municipal Act; and

IN THE MATTER OF a proposed by-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowner, portions of the original allowance for road along the shore of Kashagwigamog Lake, lying in front of Part Lot 20, Concession 2, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 300(1) (a) of the Municipal Act, R.S.O. 1990, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider, and if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on November 12, 1998 at the hour of 10:00 a.m., a by-law to stop up, close and convey those parcels of land more particularly described as follows:-

Parts of the original allowance for road along the shore of Kashagwigamog Lake, lying in front of Part Lot 20, Concession 2, Township of Minden, designated as Part 1 on reference plan of survey by Paul Wilson Surveying Ltd., Ontario Land Surveyors, dated June 1, 1998.

The plan of survey is available for inspection in the Municipal Office, at Minden, Ontario during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said by-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person, or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said by-law and who applies to be heard.

DATED AT THE Township of Minden this 14th day of October, 1998

Around the County Town

by Norn Snyder (call 286-4425)

Finally all the work is done in preparation for winter. I was late this year because of my trip. The chairs on the porch looked mighty forlorn and not very inviting as the cold became a fact of life. The seasons do define us and determine our activities. Moving in off the porch is certainly a sign of the end of summer. As we put everything away, Ted and I both commented on how it felt we had just put everything out. So short but so exquisite!! We're also aware of how blessed we are. To read about the disaster in Honduras and Nicaragua and see the images on TV of the devastation of the areas. It is almost impossible to take in the numbers of lives that have been lost and will be lost. Audrey Northey was in Honduras a short time ago, in one of the devastated areas, doing volunteer work, building latrines and working in health clinics. Audrey had gone there as a member of the World Accord Organization. Any money donated to this organization is taken by volunteers to the country in question, such as Honduras, to pay directly for supplies and to help train local people in the use of the donations. If anyone is interested in donating to this Organization, the address is World Accord, 145 Columbus Street W., Waterloo, Ontario, N2L 3L2. Any donations are tax deductible. Help is needed now like never before.

The Haliburton Legion 50+ Club is holding a Dinner Dance and Games Night on Thursday, November 19 between 4:30 and 9:30 p.m. For members it is \$5, guests \$7. For more information please call 457-9364.

A Christmas Luncheon, Bazaar and Bake Sale will be held at the Minden United Church on Friday, November 13. There will be a White Elephant table too. It all starts at 11 a.m., and keeps going as long as you keep coming!! The cost is \$4; pre-schoolers are free.

The Lochlin United Church is holding their Craft and Bake Sale at the Lochlin Community Centre on Saturday, November 21 from 10 until 3 p.m. Their wares will include homemade bread (of course!), home made meat pies and sausage rolls, woodworking, Tupperware, plant baskets and home made Christmas cards (made from peacock feathers, etc.). There will also be the opportunity for a 5 minute make-over by Alouette Cosmetics, and the delight of hearing a man playing Christmas carols on his violin. For more information and/or to place advance orders, please call 286-6574. This "extravaganza" is a fund-raiser for the Lochlin Outreach.

On Wednesday, November 18, at 6:30 p.m., the Sunshine Sisters of Carnarvon and Area, will gather at the Red Umbrella Inn for their annual Christmas Pot Luck Dinner. The dinner will be followed by a silent auction and social evening. Santa will be on hand to give out the Christmas gifts! Then everyone will know who their secret pal has been all year! Sunshine sisters have been around for at least 40 years. Many of the group, over the years, have come and gone but the group keeps growing. Any newcomers to the area are most welcome. If you are interested in joining this group please call 489-3737 for further details.

The Minden Women's Institute is holding its November 18 meeting at 1:30 at the Library Centre with program by Nancy Gayton. All women are welcome.

The Haliburton Highlands Genealogy Group will meet on Wednesday, November 11 at 7 p.m. at the Library Cultural Centre in Minden. The theme of the meeting is Bring your Ancestor or memorabilia. All are welcome.

It was great Members Show at Agnes Jamieson Art Gallery! I so enjoyed seeing work by people I knew only as winners at cards. The many talents of people -- beautifully carved duck by Gerald Hicks; paintings by Mary Hicks and Georgina Parkes. I loved "The Leaf Table" by Leo Sepa. I have a love of barns, so loved the bright red barn in Norma Noble's painting. I bought a painting of a Blue Heron by Steve Corman. He entitled it "Staring Down Lunch!" Blue Herons fascinate me and they seem to appear in my life at times when I need courage. Again, what talented people we have living among us!

SCORING NEWS

Never before has there been five tables of bridge players at Stanhope in November. But there was last week! Three people who play only in the winter were back for another season. Two small slams were bid and made by Dorothy Strype with Ross Davies and Betty Dicker with Pearl Foster. The top scores of the day were, from bottom to top, Wynne Hansen, 5250; Ross Fletcher, 5740 and Jack Croucher, an even 5800.

Duplicate Bridge at Park Lane on November 4 had in first place, Stella McMillan with Ross Davies; second, Ev and Fred Vanderland; third, Jack Cox with Mike Collins.

My apologies to the Seniors Bid Euchre group but I threw out the sheet of paper with your results by mistake. I couldn't get Marg on the phone but hopefully she kept them and I can include them next week. Sorry!

I did the same to St. Paul's Friendship Club (the results were on the same sheet), but luckily Katie was home. Lucky too because it was a "Bailey" day and it needed to be recorded! Pat

Bailey won Lone Hands and Linda Bailey won High Woman. They let Iris Taylor in there to win High Man but Pat Bailey was right back to win the 50/50 Draw!!

North, at Club 35, the size of the group playing Euchre has shrunk to winter size but the spirit is still strong. Wally Harpur won the 50/50 Draw and Jean Randell won Lone Hands. The High Woman and Man were Helen Henderson and Alf Whyman. The Lows were Rhoda and Cliff Woolner. Coming in with the Baloney was Helen Windsor.

Still North at Stanhope, playing Bid Euchre on Wednesdays, the group had a great night last week, with Eight Moonshots made. Helen Henderson had a score of 256; Marion Hill, 260; Marcel Roussel, 273; Katie Parker, 278; Don Burch, 279 and on the top of the heap, Vera Watt with 286.

East, in Gelert, they had a good crowd and good cards. Rheta Crofts was High woman and Joyce Schellenberg was Low. High for the Men was Murray MacKinnon and Low, Don Hicks. Bill St. Thomas won Lone Hands and Don Curry won the 50/50 Draw.

Back in Minden at the Legion on October 29, The Euchre winners are as follows: Most Lone Hands were won by Judy Kent and Marg McAfee. High scorers were Pat Roussel and Bill Sandford. Lows were Viola Walsh and Maxine Cross. Other Prizes were won by Margaret Fletcher, Milton Fletcher, Helen Henderson, Sharon Evans and Bill Bradbury.

Lots is going on in our community. We all need one another so it is good to have these times to be together, participating in all these activities. My prayers go out to the people of Central America who have lost so much and who have witnessed so much.

HELP WANTED

Sir Sandford Fleming College requires a part-time maintenance worker for up to 8 hours per week from November to mid May with the opportunity of full-time from mid May until September. Building Maintenance Mechanic Certification preferred. Please send resume to: Barb Bolin, Sir Sandford Fleming College, Box 839, Haliburton, Ontario K0M 1S0 by 4 p.m. on November 14, 1998. 11B

HELP WANTED

HELP WANTED: Full time Office Manager. This is a one person job to coordinate a busy office in a social service agency. Includes reception, clerical support, data base and juggling multiple tasks. We're looking for a competent, organized person with top-end computer and internet skills who is also a great team player. Send resume by November 15, 1998 to: **Hiring Committee, SIRCH Community Services**, Box 687, Haliburton, Ontario or fax to 705-457-5352. 11AB

Haliburton County Association for Community Living has an opening for a full-time counsellor within our Lifeskills/Employment Options program. This is a contract position from January 18, 1999 through July 30, 1999. This position will involve working flexible hours to meet the needs of the individuals we support.

The successful candidate must be able to give and take support in a positive and respectful manner and to work as part of a team. Good interpersonal, organizational and communications skills are a must.

All applicants must have completed a minimum of grade twelve education and have at least one year experience working directly with individuals who have been labelled with an intellectual disability. A valid driver's licence and a good driving record is required. The applicant must also be willing and able to work outdoors in all seasons and be physically capable of doing such manual labour as lawn mowing, snow shovelling, leaf raking and related maintenance duties. Resume and hand-written cover letter must be received no later than 4 p.m. Friday, November 20, 1998 and should be addressed to the **Support Services Coordinator, HCACL**, P.O. Box 90, Haliburton, Ontario K0M 1S0. Only applicants selected for interview will be contacted. 11BC

CARDS OF THANKS

The Museum Committee would like to thank the Minden Girl Guides for their help at the Tea Room during the Artisan's Festival and the Quilt and Rug Show. You are a credit to your families, leaders and the community.

Winners of the Haliburton County Home Support Services November 3rd Big Buck Euchre were: 1: June Fountain, 2: Bev Johnston, 3: Mary Schad, 4: Verna McDonald, 5: Mildred St. Thomas. Most lone hands: June Fountain and Bev Johnston (tie). Thanks to all participants, the Haliburton Royal Canadian Legion, Haliburton valu-mart and I.G.A. and volunteers.

CARDS OF THANKS

BRADBURN - Thank you all for the support we received during Maurice's long illness and his recent passing. Many people were involved in his care and we certainly want to thank them all, the ambulance drivers, all the doctors, nurses and staff of the Minden and Haliburton hospitals as well as Peterborough Civic hospital. Thank you to Dr. Judy Smith, Dr. Tina Stephenson and Dr. Scott Coles for their medical care and visits. Thanks also to Dr. Hans J. Stelzer and Dr. Patricia Hinton without the help of all the nurses who came from the Para-Med Health Services, Sean-Lee Community Nursing and the V.O.N., it would not have been possible for Maurice to spend as much time at home. It was not always an easy task and we thank you all for your patience. Thank you Kathy Potter and others involved from the Access Centre. Thanks to Paul and Janet Heffer and staff of the Minden I.D.A. Medigas kept his oxygen supply replenished, thank you.

We thank the Gordon A. Monk Funeral Home for their compassion and concern for us and the grandchildren. Thank you to Rev. Peter Walford-Davis for a very fitting service and thanks to Carolyn Parkes for her tribute to Grandpa.

Thank you to all the pallbearers, Wayne Holloway, Lynn Watson, Bradley Watson, Kim Watson, Trent Watson and Vincent Watson. Thanks to the Minden 636 Legion Ladies for an excellent lunch.

Thank you to all our friends, neighbours and relatives for the visits, telephone calls, cards, floral tributes, memorial donations and food. Thanks to anyone who helped in any way. Thanks to Irene Moxam for staying with Mom while we went to the Cemetery. God Bless you all.

Pat Bradburn, Brenda & Larry Parkes, Lenna Bradburn & Gord Loukes.

CARDS OF THANKS

MOON - My heartfelt thanks to everyone for the many acts of kindness, donations, food, cards, phone calls, flowers and prayers since "My Jim" passed away.

Special thanks to my sister Berneice Stewart, brother Glen Blair and his wife Delores, cousin Joyce Cowling, nieces and nephews Blythe and Bill Reynolds, Lila Cooper, Brian Hogg and my friend Izzy Dedman for always being there for both Jim and myself whenever we needed one of you. Also, thanks to Dr. Wu, Dr. Conway, Haliburton and Peterborough Civic Hospitals, the V.O.N. and Ambulance attendants. Many thanks to Kirsten and Gord Monk of Monk's Funeral Home.

I shall always be grateful.
Beryl Moon.

AT REST

GOSTLIN
Raymond

Suddenly at the Peterborough Civic Hospital on Thursday, November 5th, 1998. In his 87th year.

Beloved husband of Hazel (Robertson) Gostlin of Norland. Dear father of Aubrey and his wife Jacqueline of Norland, Gwyneth and her husband Leo Bryant of Whitby. Loving grandfather of Sherry Gostlin, Heather Orris, Judy Bennet, Michael Bryant, Nancy Marsh, Calvin Bryant and great grandfather of 11 great-grandchildren. Brother of Jean Stewart. Predeceased by Garfield, Lillian, Lorne and Alvin.

Friends were invited to visit the family at the Gordon A. Monk Funeral Home, Minden from 2-4 and 7-9 p.m. on Saturday. Funeral service was held in the Chapel on Sunday, November 8th, 1998 at 2:30 p.m. Interment to follow at Pine Grove Cemetery, Norland.

Memorial Donations to the Norland United Church Building Fund or to the Minden Hospital Building Fund would be appreciated by the family.

A Masonic Service was held at the Funeral Home on Saturday at 8 p.m.

AT REST

HAMER,
Joseph

Passed away peacefully on Tuesday, November 3rd, 1998 in his 77th year. Beloved brother of Margaret (Peggy) and her husband Bill Kelly and Theresa, all of Minden. Beloved son of the late Mary and Joseph Hamer. Friends were invited to visit the family at the Gordon A. Monk Funeral Home, 127 Main Street, Minden K0M 2K0 (1-888-588-5777) from 2-4 and 7-9 p.m. on Thursday. Then to Our Lady of Fatima Catholic Church, Minden for Mass of Christian Burial on Friday, November 6th, 1998 at 11 a.m. Interment followed at Minden Cemetery.
